 Germany

Traditionally, the German Pavilion is extensively visited by the President of the Republic of Mozambique on the first day of the fair. Just as is also traditional for the FACIM trade fair, the following awards were presented by a selected jury on the penultimate day of the trade fair, led by the country's Prime Minister and accompanied by the Minister of Industry and Trade:

**Best exhibitor country 2024: Germany (as in 2023),** followed by Portugal and Brazil / First time participation: India + UAE / Country of Honor: India
