

Invitation to a Personal Meeting – Partnership and Collaboration Opportunities with DSC Arminia Bielefeld

Dear Sir or Madam,

we hope this message finds you well.

As a traditional football club with more than 120 years of history, DSC Arminia Bielefeld is not only active in professional sports in Germany but has also been deeply engaged in South Africa since 2021 – particularly in the areas of sports development, education, and social impact for underprivileged children and youth.

In 2024, we took an important step forward by founding our own non-profit company (NPC) in South Africa to professionalize and expand our efforts. Since July, Arminia Bielefeld has also been working closely with the Department of Community Development, Sport & Recreation of the Gauteng Provincial Government. Together, we are committed to empowering young people through programs that combine education, sport, and social inclusion.

Our goal is to build long-term partnerships that create sustainable impact through joint initiatives.

With this in mind, we are seeking to connect with companies in South Africa that are interested in exploring opportunities for collaboration in areas such as CSR projects, youth development, and innovative partnerships at the intersection of sport, education, and community empowerment.

A delegation from DSC Arminia Bielefeld will be visiting Johannesburg from 4th to 8th of November 2025, and we would greatly appreciate the opportunity to meet with your company during this time to explore potential synergies and shared goals.

If you are interested in scheduling a meeting or would like more information about our work, please feel free to contact our representative Mr. Nico Luft (luft@arminia.de), who would be happy to assist.

We firmly believe in the power of sport to build bridges – between people, cultures, and sectors. We look forward to a meaningful exchange with like-minded companies in South Africa.

With kind regards,

Christoph Wortmann
Managing Director
DSC Arminia Bielefeld
